“ Karen was always at peace working in her yard and tending to blue (her favorites) flowers. She was so proud of her boys and dearly loved them. Sorry she left so soon.

“ I worked with Karen at Green Memorial. We had a lot of laughs. She will be so missed. I know her biggest pride at that time was her son was in medical school. She loved and spoke often of her sons. ❤️ She is now at peace and will always be with you.

I will miss Karen so much. She was always a comfort and always gave me good advice. William and my son grew up together, we were back yard buddies. Hobert was a cool dude and a involved father. Such memories I will cherish. William and Thomas, you know how to reach me. ❤️

Tim, I am so sorry for your loss. I spoke to Karen on the phone a couple of times in between her last hospital visit. I thought she was going to be okay. She was a beautiful friend and a great nurse . She is free now in a wonderful place. God bless you. Love, Claudia Shellabarger
