“ *Kathy was a very special person. I so enjoyed working together for Bible school. She had a great smile, and I loved her hugs and just talking together about everyday life. She had such a lovely, sweet singing voice. When you spent any time with her you knew she depended on the Lord for everyday life . I will miss her*

Kathy was an inspiration to me. I loved her devotionals she presented at the Christian Womens Connection (CWC) meetings. She was truly a faithful servant when CWC made and served food at our fundraisers. Loved her smiles and hugs. I truly miss her. (Susan Woolwine)

“ Sweet Aunt Kathy, I'll always cherish the precious memories I have had with you over the years. One of my most favorites would be when I stayed with you all in Orlando Florida for a month. Julie and I were really close at that time. I'll never forget how you wouldn't let me leave the dinner table till I drank that glass of milk lol I hate milk, but I think I drank half of it, I can't remember. Your dedication and loyalty to your family and God was admirable. You were one of a kind and I'll miss you! You made the best potato salad ever! We all have peace knowing you're in Heaven singing with the angels. I love you!

“ Kathy was a sweet, wonderful sister-in-law! We were so blessed to have her in our lives and we will miss her terribly. We will always be thankful for her generous, loving spirit and all she has done for us especially her loving care for my mother. She is now singing in that great choir in heaven. We rejoice that you are at peace now and we know you will be there waiting for us! Until we meet again!

“ I'm so sorry to hear of Kathy's passing. I will always remember her smile and kindness. I'm sure that she and John are both praising and singing in the heavenly choir.
