“ Keith and I both worked at ISUS. He was a caring person. In fact, he brought me to work when I wasn't allowed to drive because I had double vision. He helped Marvin Heck when he had his double knee replacement. He was a great guy and was always willing to help us for whatever we needed. He will be greatly missed.

“ Keith was my neighbor for the last several years and a great one. If my daughter or I needed anything we could always go to him. Such a sweet man. He will be missed. My heart goes out to his family.

“ When all of us Titus cousins were kids, my Dad would say, " Let's go for a ride." on a Sunday afternoon, invariably ending up at one of my aunt & uncle's houses. While the adults would visit together, we kids would play together. Keith, Mike, & Karen were among my childhood playmates. I always felt so welcome & so loved in their home. RIP, Keith. We all will miss you.
