“ We have been friends for almost 50 yrs. So for me to pick just one memory would be impossible as we had so many good times. One of my favorite times is going to the gravel pit swimming & going out to pine forest for bonfires. You left us way to soon my friend & you will never be forgotten. RIHP till we meet again.

“ A lot of my childhood has Scotty in them. Dancing with him on the dance floor or playing pinball at Patterson Restaurant. I remember I thought he was so nice looking and I was probably 10, lol. Going over to his house to visit him and Tonya when she had the boys. I know that he's up there with George and Brenda and my parents listening to some bluegrass . Rest easy my friend and I will see you all again one day.

“ Scottie, your going to be missed by so many. You were such a big part of my young and adult life growing up in Wrightview. You were the one always trying to keep us younger one's out of trouble. So glad you hit the wrong number a few months back when you got your new phone , which, you were complaining about, LOL and we were able to talk a few minutes and I got to tell you I loved you. You were suppose to stop by this year when you came down for the Sorgum Festival..... Life is so strange.. Love ya Buddy.....
