“ I am VERY sorry to hear of the loss of your brother, Kevin Gural. He was my good friend and locker partner for four years at Greenon High School. I have MANY memories of Kevin. Probably the one that comes to mind is a simple one. He used to drive me to school in that gray truck of his and when "Radar Love" came on the radio, that dashboard didn't stand a chance! I think that was his favorite song. I am very glad I had the chance to visit him for an afternoon recently. I had the wonderful opportunity to talk about the old days, missed opportunities between us (there I said it), and most importantly - about God and heaven. I can't find the words to describe my heartbreak.

“ To the family so sorry for your loss. I am also a Greenon graduate and remember Kevin's smiling face from school. We all use to hang out back in the day and had lots of fun! He will be sadly missed.
