

Kevin Ray Nau

December 30, 1961 - August 9, 2024

Kevin Ray Nau of New Carlisle, OH passed away from terminal cancer on Friday, August 9th in Ohio's Hospice of Dayton.

Born on December 30, 1961 in Tiffin, OH to John & Martha Nau, Kevin was raised with his 3 brothers and sister on a family farm near Arcadia in Northwest Ohio.

Predeceased by his mother, Martha Nau, Kevin is survived by Julie Nau, his wife of 36 years, their 3 children, Michelle Nau, Joe (Nina) Nau, and Haley Nau (Matt Wilson). In addition, Kevin is survived by his father, John Nau, brothers Gary Nau and Tom (Rita) Nau, and sister Linda Coffey, as well as numerous nieces and nephews.

Kevin will be forever remembered for so many things - his incredible work ethic and ability to build and fix just about anything, his artistic skills with masonry, carpentry, landscaping, and pen & ink drawings, his intellect and skills as an engineer, and so much more. Kevin's life was enriched by many hobbies including hiking and camping with his family at National Parks, rebuilding antique machinery, mushroom hunting with his best buddy Greg Helentjaris, and sharing a daily pre-dinner beer with his dog, Auggie, and neighbors Bill & Beth Staas.

Professionally, Kevin retired in 2017 from Trimble in Huber Heights where he worked as a Mechanical Engineer. Kevin spent his retirement years volunteering with the Clark County Park District, specifically the Mad River Gorge stairs project, and with assisting the building of boardwalks at several Greene County Parks. In addition, Kevin spent countless hours restoring his 1840's farmhouse and bank barn, building a pond and creating a nature sanctuary on his 7-acre property.

A Celebration of Life to honor and celebrate Kevin's life will be held on Sunday, August 18 from 1:00 to 3:00 pm at his home at 1439 Lammes Lane, New Carlisle. In lieu of flowers, donations may be submitted to Ohio's Hospice of Dayton in Kevin's name. Adkins Funeral Home, Enon, is assisting Kevin's family with his final wishes. www.adkinsfunerals.com
