“ *I also only knew Kyle as an online friend (we played in an online euchre league together known as Wicked). All that knew Kyle in any capacity loved his humour. When I heard of his passing, I cried countless tears for a man I had never met, but yet touched my heart!! We were and are like family! In fact, I often said to Kyle that we could possibly be related somewhere down the line as my mother's maiden name was Baker and she has family throughout the United States as well as here in Canada! Spread your wings and fly free Kyle. It's so surreal what has happened. Know you will be forever missed and loved by your online family! Forever in our hearts! R.I.P. my wicked friend!
