“ After the tears have dried and the goodbyes have been said,all we have to hold on to are the happy memories that we have shared with Larry. This is what keeps him alive in our hears and in our minds. He will continue to live on, through us. Larry will be terribly missed but will be cherished in our memories forever. With a heavy heart, we pray for the eternal repose of one who was a man of distinguished humanity for his family.

“ We are so sorry to hear of Larry's passing. Remembering how his eyes lit up when he talked about his grandchildren, and how he loved the birthday parties so he could have ice cream and cake! He loved every minute he spent with them, enjoyed them immensely.
