“ *It is hard for me to comprehend that Linda is gone. Donna and I just had lunch with her on Oct 11th, and as always, had such a nice time. Everyone has people who changed the trajectory of their lives in profound ways, and Linda was one of those people for me. I am so very grateful to Linda for hiring me as an AFIT admissions councilor in 1995, when I was hoping to get back closer to home from Langley AFB, VA.--- and as Chief of Admissions she made that happen for me. It was Linda who drove me all around looking for homes for sale, and it was Linda and John who asked me into their home for meals and invited me to their church service before my family joined me. It was such a pleasure to work for her and with the wonderful "RRE" team that she had already created. RRE felt like a family and the whole team modeled that work environment. I remember the times we had team building off-sites at Linda's house, where the whole RR group (probably about 20 people back then) gathered for a home cooked lunch and very competitive games of Pictionary. We celebrated staff birthdays, had office Thanksgivings and Christmas lunches, experienced together births, deaths, weddings, divorces, staff illnesses, and staff's family illnesses---it was in that sections culture when I joined it because Linda planted that seed and encouraged it to grow. I am so grateful for the years of friendship we've continued to share since she and I both retired, and I will hold those memories in my heart forever.*

“ Hi! We have missed her when she retired, but now she really is gone. I hope she is in a happy place. My best memories of her is when I see her to give her payments in a form of a check, she would tell me that after retiring she would want to go on many road trip. So, I hope the road trip she is on will be a happy one. She always has a smile on her face and we would talk a lot.

“ I don't know where to begin. Linda and I met when we worked at AFIT in 1978/1979. We hit it off as friends right away and remained so to this day. I miss her so much and just can't wrap my head around the fact that she is no longer with us and that we won't be meeting for lunch or at a Chinese restaurant after church on Sunday afternoon with her, John and Nevaeh.

One of my favorite memories is when we took a long weekend trip to Shipshewana Indiana. I had never been there before and I don't recall if Linda had. We shopped and shopped the Amish stores, ate at an Amish restaurant and stayed in a bed & breakfast in a corner room with windows overlooking the street. We were talking when we heard this strange sound. We went to the windows, opened them up and sat there listening and watching the Amish buggies headed off to a "meeting". There must have been over a hundred buggies and the sound of the horses hoofs on the roadway was hypnotizing. It was absolute one of my favorite memories and I enjoyed it with Linda.

Linda, you were the best and I will miss you dearly. Love you bunches!

I remember Linda as a dedicated Mother to Nevaeh. When she put her in Enon United Methodist Preschool she wanted to be sure she had all the right "stuff" and for us to let he know if she or we needed anything. She was one of the first to volunteer to help with a party or special day or to drive for a field trip. Even after Nevaeh move on to elementary school whenever I would happen to see Linda she all ways had a smile and wanted to know how everything was going now only for me but the preschool.

I was shocked by this news when I found out. Linda was a great friend. She was my first direct sales mom with home and garden party and we remained friends. She will be deeply missed by all that knew her. All of us that were on her team will always be a linda's ladybug.

Linda was a great friend and former co-worker in the AFIT Admissions office. She was always quick with a smile, a compliment and words of encouragement. I miss her already.
