

Linda Gossett

November 27, 1955 - April 8, 2024

Linda S. Gossett, 68, of Enon, passed away surrounded by love on April 8, 2024. A beloved LPN, devoted mother, grandmother, great-grandmother, and sister. Born to the late Farris and Geraldine Morgan. Linda's life was a rich tapestry of compassion, dedication, and joy. She was also predeceased by her brother, Farris Morgan Jr. She leaves behind a cherished legacy and fond memories with her siblings Angela Morgan, Mary Gail McCollum, and Larry Morgan. Linda's dedication to nursing was rivaled only by her love for her family. She is survived by her children, Jeremy and Levi Riffle, and Josh and Shannon Gossett, who will forever hold her as a beacon of guidance and unconditional love. Linda took great joy in her five grandchildren: Mariah (married to Garrett Camden), Makenzie, Tylar, Matthew, and Tannar. She also cherished her great-grandchild, Kenzley Rose, whose achievements, and milestones brightened her days. Beyond her professional accomplishments, Linda found joy in the simple pleasures of life, such as reading, watching TV, and spending precious moments with her grandchildren. Adkins Funeral Home in Enon will be assisting Linda's family with her final wishes. A visitation for Linda S. Gossett will be held on Thursday, April 18, 2024, from 5:00-7:00 pm. Services will be conducted on Friday, April 19, 2024, at 11:00 am, immediately followed by a graveside service at Enon Cemetery, where we will bid our final farewells and celebrate her remarkable life.

“ First time we met I liked you, you had started your new career in the nursing field where we worked together, loved your honesty and no drama attitude, so happy we were able to sit and talk last year at the ballpark

DI

“ God saw you getting tired,
When a cure was not to be.
So He wrapped his arms around you,
and whispered, "Come to me".
You didn't deserve what you went through,
So He gave you rest.
God's garden must be beautiful,
He only takes the best
And when I saw you sleeping,
So peaceful and free from pain
I could not wish you back
To suffer that again.
