“ I remember that he had a beautiful daughter named Chasity Blair Lambert, whom has 3 children,his grandchildren. Even with tears in her eyes over the loss of her father, she the most beautiful woman I've ever seen. Whomever wrote this obituary must of mistakenly overlooked or forgotten to add his daughter and grandchildren as listed family members. Surely no one is that callous or evil to intentionally hurt her more when her Dad just passed.

I'm Chasity's oldest cousin and from what I can tell by reading the obituary it was my uncles "supposed wife Kim". My uncle never got an official divorce from my aunt Diane. And yes the first who wrote this is most certainly a cruel evil person
