

Mabel Grace Hall

February 5, 1929 - March 17, 2022

Hello : February 5, 1929. See you later: March 17, 2022

Mabel Grace Hall has joined her husband Fred , daughter Loretta Jane and son Bobby Ray in a place they call home. Let us rejoice !

Mabel Grace was born on February 5, 1929 to Ernest Harry Lee and Zella Jane Jackson Lee, at Muses Mills of Fleming County KY.

Being the eldest of eight, Mabel didn't fare long at school, as she quit to work the fields to help her family. She never stopped learning , as she chose to walk with Our Lord and listened to him daily. Mabel was fierce when she prayed. If she prayed with you, you knew that things would be better.

Who was Mabel closest to among her siblings? Each of them felt that they were. Yet no one can deny that Mabel Grace and Mary Etta were two "peas in a pod!!" Especially with only a year between them.

When the both of them decided they were ready to marry, they wanted to make money to help make it happen. A tobacco patch became their plan. They made a 50/50 deal with the farmer that they would produce a good crop. Now Mabel and Mary were no strangers to hard work!

Work done, money made! Fred M. Hall married Mabel Grace Lee on February 11, 1947. Mary Etta married William P. Johnson. The two sisters homes were close together as they raised their families. Never a dull moment being around the Hall and Johnson's families as they worshipped together and played together.

Mabel and Fred always loved being at the Lee Cuz'in Reunions. The 25 Cuz'ins and their families thoroughly enjoyed them being there!

Playing volleyball, kickball, or a rousing game of musical chairs; the two oldest on the playing field would be Mabel Grace and Fred.

Being as well loved as she was , Mabel always knew of all the little "goings-ons" of the Lee family. She would tell her sister Betty June to, " keep that under your hat! ". They often shared so much that they decided they needed bigger "info" hats!

Age 90 came quickly for agile Mabel Grace. Needing to go a slower pace found her at Wright Rehab & Care where she received comfort and care along side her youngest son , Bobby Ray. Mabel Grace's granddaughter Lori was employed there , where they were truly blessed with being able to see her beautiful smile and hear her loving voice often, making things a little easier for Mabel to bear.

Mabel Grace was many things to many people. The one attribute that she had was "Grace". The giving of compassion, kindness & love. She lived for God's grace and found refuge "Under his Wings"

“ God knew what he was doing when he gave us to each other. You and I needed each other. I filled wholes in your heart just as much as you filled wholes in mine. My whole life you lived with us or across the street from us. We talked everyday or did something together. We worked the garden, canned our yield, played a game or did puzzles together. If nothing else we would sit with a drink on the porch and talk. We celebrated our birthday's together every year. You and mom made me the woman I am today. Two strong spiritual women. I know how to give love and kindness because of you both. You taught me how to deal with all the ugliness in this world with love and grace. You will always be the greatest grandmother and best friend I have ever had. Until I am with you again someday.

“ Aunt Mabel
I realize that through my life you gave me so much. Not the material stuff but the right stuff! You gave kindness, spiritually, you presented a strong woman with strong values, and always that smile with your humor & wit! Most of all your beautiful heart!
I love you! 💜

“ I remember the 1st time I met Aunt Mabel in the late 70's. She was very welcoming and had open arms. She wanted to know a little bit about my background. From the 1st time I met her we always stayed in touch. When her and Fred would come to AZ we would always go visit and have them over for dinner. Love you Aunt Mabel
