“ I remember Mack very well! He was a very kind and funny guy. I remember one day at lunch he told everyone that he would eat a ghost pepper(it is one of the hottest Pepper's in the world) and we tried to talk him out of it but he wanted to. Well he did and he was sweating and his eyes were watering and he eventually puked in a milk carton 😂. I had several conversations with him. He is really smart and caring. I still can't get over that he is gone. Fly high Mack.

“ Ok Mack, now you can go out west to experience all you have talked about. You can even ride a grizzly bear if you want. Till we meet again, remember I love you, Grandma.
