“ *The greatest friend and Sister by choice. We sure had numerous fun adventures. Remembering our trip to FL with just her and I, great Great times. SOOOOO many memories, soooo many years. Many travels back n forth Mi and Oh. Marilyn has a heart of gold and enjoyed life. Her husband and children were God's greatest gift. About the very last words were my asking her, bet you are having a lot of talk with God and she said " Yes I have".*

“ My mom loved us unconditionally. My mom had me when she was 18 and did an amazing job raising me to be the person I am today. She was a great listener and did an wonderful job of not giving advice unless I asked for it. She loved her grandchildren fiercely. I would joke with her often that they were the sparkle in her eye. They both know how deeply she loved them and wanted all that life could offer. She was always encouraging them to go for whatever they wanted in life!

You, Tracy, Maddie & Nate were most definitely the sparkle in her eye. <3

Absolutely! When you were very little; you were a magnet to her. I remember once at my house and your Mom went out to start the car to warm it and you screamed horribly. You knew me well but nobody could ever match your Mom. Then came those Fabulous Grandchildren and stole her heart completely
