“ I just don't know where to start.....Martha was my next-door neighbor mother from third grade until adulthood..... I remember lunches sitting in Martha's kitchen in a half circle booth. The 4 Pyles and my sister Lisa always played outside or in our respective basements on rainy days as our mothers were in complete agreement on how to raise kids. Martha and my mother would chat while standing under the crabapple tree. I remember the day Martha and Brenda pierced my mom's ears and the laughter we all shared. I wish I could have been there today for the funeral but health circumstances did not allow. But I will always cherish my other mother. I will remember sitting on her porch or in her living room to chat.

“ I lived next to Martha for several years. We would often spend time outside just talking. She was the sweetest lady that certainly leaves a mark on anyone that she meets. My thoughts and prayers are with the family during this time.

“ *Pyles Family-  
We are saddened to learn of the loss of Miss Martha. She was a wonderful Mom and Grandma and welcomed everyone she met. We will especially remember the fun times dancing at the girls weddings and laughing and twirling around for fun; family gatherings and picnics in Enon and Bowling Green; and the sweet love and hugs she always shared. May God's peace that surpasses all understanding be with all of you as you Celebrate Her long life and many contributions to her family and community.*
