“ My condolences to the family. Perhaps unbeknownst to many Martin Stromberg was an extraordinary basketball player in high school. He played way way above the rim. In my opinion it was a sham that he did not make the varsity basketball team in high school. I lost track of him after high school and often wondered what became of him until I read the obituary in the Fairborn newspaper. My sincere regards, Jim Morgan.

my condolences. I did not really know Martin, but I saw Martin running frequently while I was running with my dog, Stella. Martin was always friendly, and was a big inspiration to keep running. Keep running Martin! 💕💕
