“ Mike was one of a kind. From the moment I became part of his family he made me feel welcomed and loved. I will forever remember all of the good conversations that we had and him trying to get rid of my baseball golf swing. Mike you were deeply loved and your grandson admired you tremendously. Say hi to my dad in heaven and make sure he's keeping in line. Until we see each other again.

“Dad, you may have been small in stature, but you were always larger than life to me! You taught me so many things about navigating this crazy world and how to be the best version of myself. You were always there when I needed you and you always had an ear to listen. You spent your life in the service of others, be it the USAF, Fire our EMT, you were selfless and always giving of others. While I'm happy you're not struggling anymore, you are missed beyond measure and more than words can ever convey. I love you dad, you were my hero my entire life and I pray you are at peace and maybe up there playing a par 3 in the clouds with your dad. All my love forever, Tina
