“ *Millie and I worked together years ago - in Massillon. She was such a bright light of joy, peace, beauty, kindness and genuine compassion towards any/ everyone.*

We used to laugh so hard (at the silliest things) until we'd almost pass out.

Mil' had a zest for life and the sun rose and set in her son Brian and her beautiful grandchildren! She was so very proud of her family!

I haven't seen My dear friend for a few years but she was always in my heart and her family and close friends remain in my prayers!

Losing you (!sweet girl) I'm sure- is unbearable for your brother Bill, sister Elaine, Brian and his family and your endless circle of family and friends.

R.I.P. my dear friend... your love, laughter and beautiful soul will remain alive in our hearts- until we meet again! ❤️🙏❤️
