“ As a musician I remember how much Milt loved certain kinds of music. I was excited when he purchased a banjo and tried to play it. Not satisfied with his progress, he finally gave it up. He enjoyed the songs I did on the ukulele, so I was excited when I was invited to play at his last birthday party held at the Bennett residence where John Scott served his famous pizza! What a precious celebration that was for Milt and his friends. I also remember how very much Milt loved ice cream, so that also was served to his delight. I shall always remember with pleasure and gratitude that very special Birthday Party! Milt will surely be missed by so many whose lives were made the richer for having known him. And, of course our hearts go out to Pat and the entire family as we ask our Lord to bless them all with love, peace and comfort during their time of grieving. May God's presence surround each of you as you continue your journey toward Heaven.

Sincerely, Don Simones

“ Pat and family. So sorry to hear of Milton's passing. I know he meant a lot to my mother, Agnes Johnson. I didn't know him well as we were years apart, but always enjoyed his visits when he'd stop to see mom in Pelican Rapids. My sympathy to you and your family and may the Lord grant you peace and love during this difficult time. Love and hugs, Kathryn Johnson Erickson.

“ Milt was the oldest cousin on the Brickson side of the family. We will miss his kindness and his well wishes for everyone. I appreciated his family genealogy searches and information and far reaching background of the family. We will miss him and remember him. With deepest sympathies.
