“ *Dear Linda and Mike and girls, Pat was so special and will be missed. I first met her at Enon United Methodist Preschool when she brought Alex and Gabby in everyday. She loved those girls with everything she had. She always offered to volunteer her time and her AMAZING talents. She was such an asset to the preschool community. Then I transitioned to the Enon Library and was thrilled to still be able to catch up and have Pat lived filling me in on all the wonderful things the girls were doing. She also offered her time to share her art skills with library patrons. She was so generous. She even invited us to her home for a lovely tea and to share her wonderful artwork with us. We had a great time. Your family will be in our thoughts and prayers and I can say I am a better person for having Pat in my life.*

“ Dear Pat, you were among the most gracious and giving souls that have ever came into my life. I can't recall any time that we shared when negative was the order of the day. I also can't help feel that the person that coined the phrase "glass half full" somehow had spent time with you in this life. Thank you for every second we shared as friends.....John Golden
