I was privileged to meet Patty at the YMCA in OBX and staying in touch with her through the last 8 years. Always enjoyed hearing from her and catching up on the most current adventures. I had surgery recently and she stayed in touch encouraging me with caring words and prayers. What a gift to this world and will be in Heaven too. To her family, especially her dear mother, you have lost a treasure too soon. May your period of grief be swift and you all be comforted in your memories of Patty. RIP dear friend, Margaret
