“ Aunt Phyllis married into the Titus family and will always remember her quiet demeanor. I never will forget learning over the years the benefits of a good listener. If one had a good chance to have conversation in depth with her, I am sure things could be very interesting. She is the last living family member of the Titus side, of this generation and I am heartbroken with this loss, but I know open arms await her on the other side of the river. Everlasting love to all of you a very fortunate nephew Kim K Titus

“ *I'm so sorry to hear this. What I remember the most about her is when our family would get together once a year she always remembered me and was so kind to me. I would run into both of them occasionally and they always were so sweet to me. Some of my favorite elders in our family. Sending love and light to the family. Stephanie (Bills daughter)*
