“ Becky started coming to my karaoke shows quite awhile back. I can truly say that she is one of the people I enjoyed hearing most at my shows! Her voice and presence made everyone around her happy! I will truly miss her more than I can say! I will never hear or sing the song Constant Craving that I don't think of her! Fly high, Becky and let the voice bless the heavens!

“ The first time I met Becky was when I was still in High School. She was cleaning house and had her hair up in pigtails. I remember thinking what a cool mom Anne had. Over the years Becky became like a mom to me and she really was as cool as I first thought. I will never forget those pigtails-that is how I will always remember Becky.
