“ *I don't even know where to start. Growing up I thought you were so awesome, cool , and beautiful. I wanted to be like you. You were always having fun and smiling. Then you had Brandon. ( one of the cutest babies ever). I was sheltered and not allowed to hang out with you, but that didn't stop me from wanting to or looking up to you. When I was on my own, there were times we were close. Our kids all close in age too. I wish we would have stayed in touch. Life is way to short . I know you loved all your kids with your soul. May you be at peace with Brandon and Mamaw. Your safe and where no pain can ever hurt you again. Love always and God Bless you.*

“ Redina, you're loved and missed by so many. I haven't seen you since Charlesee's wedding, and before that, even longer. But I still cared. The best memories I have all involve your family, you included. And there are so many, and I think about them often. I always will. You all played such a major role in my life, in those all too important years. More than you'll ever know. I am grateful to have known you. I remember Brett and I, with the Boy Scout uniforms. You were so adamant about us doing that. :) I hardly knew any of you then. Certainly didn't suspect I would become as close to you guys as I did. But it happened, and for the good as well as bad times, I'm glad for it regardless. I've been thinking about your family all week and it's brought back a lot more memories too. You were a special person, and I will keep your family in my thoughts, I loved you as I love them all now. Be at peace and know that you are indeed loved by many.
