“ My favorite memories was as a little girl Grampa would pop his teeth out and then I would try but couldn't so I was so confused lol. Later I found out he had false teeth lol. He always had funny little jokes to crack or play. Pretty sure he was the first one to show me the pulling your thumb off truck. Will miss you tons Grampa!

“ Ren "Pops"McSwain was a Wonderful kind loving person. He had a Heart of Gold. He would go out of his way to Make sure Mary "Mom" McSwain had Everything she wanted. I would get a kick out of him when he would get frustrated He would say Horsefeathers. And Talking on the phone we always ended saying Tally-Ho! I enjoyed talking to him about anything and everything that was funny even sad he always had an open ear. He was always there for the Family and Myself. IAM going to Miss him Dearly! Live on forever Pops in Heaven! My Hero! I Love you Forever Keith
