“ In 100 years it won't matter what kind of house I live in what kind of car I drive or how much money I had. But the world may be a little better because I was important in the life of a child.

Mrs Davidson you will always be remembered fondly in our family. The Gamble Family

“ Ken, Jennifer, Kurt & Family,
I taught many years with Rita at everyone's favorite place, Hustead. We shared a love of shoes and she had a lot of them! She was my daughter, Allyson's kindergarten teacher and I'll never forget when she came and got me from my classroom so that I could hear my daughter read a book to the whole kindergarten class! I was proud, and I was also thankful for that opportunity that Rita gave me. Hugs to you all.
