“ *Darrin, Wendy and family of Bob Bardnell. So sorry to hear of the recent loss of your father and also your mother in Nov 2014. They were a special couple and I will always remember the special kindness they extended to me with the loss of my husband several years ago. Their kindness is not forgotten. Special thoughts and prayers for you and the family as you grieve the loss of both parents in such a short span of time. You can also celebrate their lives because they were special and touched many lives and made a difference.*

*My thoughts are with you.
