“ *It's been a little over 2 years now since you were called home. I miss you everyday.
I miss our talks about what a bad Days of our Lives fan I was because I wasn't watching it like I used to.
I miss you calling on my birthday to sing happy birthday to me.
I miss you saying, "And you're how old"?
I miss your funny emails.
So many good memories I have of the both of us.
I love and miss you Dad, Susu*

Birthdays will never be the same without dad calling and singing happy birthday to me.

Alot of things will never be the same. But now I know I have my own guardian angel watching over me. RIP Dad. Love and miss you so much, Susu

Your favorite daughter in Illinois.

“ *I can't count the times I ate a meal or just had a cup of coffee at Frisch's in Trotwood. When I was a teenager Frisch's was the favorite of all of my friends and we were there daily. Then during the 30 years as a Trotwood police officer I loved taking my breaks at Frisch's and Bob always had a new joke to share with us. He always treated us great. I always smile when I think of those times, Frisch's, and Bob Spaith. Rest in peace Bob. Mark Coning*

“ My father, Al Jennings - owned A&B Litho where I worked also.
I remember when my dad hired Bob - Bob said "oh if I have to work in the same room as Patti it will cost you another \$5.00 an hour".

Bob and I worked in the same room for approx. 12 years. He was a great computer operator - which he dearly loved. He never minded working until midnight if we needed him to. He really loved his work. My family knew Bob for years.
He will be greatly missed.
