

Ronald N. Culbertson

March 1, 1955 - November 8, 2018

Ronald Neal Culbertson

Ronald Neal Culbertson, life-long resident of Clark County, died at his home suddenly

on November 8, 2018 at the age of 63, losing his battle with heart disease.

Ron was

born in Cincinnati, Ohio on March 1, 1955 to Lajoie and Jack Culbertson.

Ron is survived by his wife, Cynthia (Lacy) Culbertson; his children, Wyatt (Liz)

Culbertson of Powell, Ohio; Laura (Josh) Rich of Grove City, Ohio; and Kelly (Jim)

McKee of Mary Esther, Florida; his mother Lajoie and his 5 siblings: Carol, David,

Nancy, Barbara and Roger. Also surviving are his five beloved grandchildren, Maddox,

Jimmy, Clara, Jack and Owen. He was preceded in death by his father, Jack.

Ron was 100% all in with anything that he did from building fine furniture to complete

house renovations. He devoted countless hours to teaching home remodeling skills to

his children. If you stop by Wyatt's house you can't miss the living room full of Ron's

creations. At Kelly's, look for the cabinets and blackboard that her kids enjoy

every day.

And Laura and her Dad recently finished her house remodel (the kitchen and bathroom are beautiful!).

Anyone who knew Ron, saw his love for all things mechanical - from drag racing at KillKare to his 1955 MG TD. He freely shared his knowledge of auto repair with family and friends...always available for a question or quick oil change (he was adamant about changing oil every 3,000 miles!).

Ron was a life-long learner. He volunteered regularly at the Champaign County Air

Museum, working on the B17 restoration project. He loved the new skills he gained

while working with so many talented craftsmen. And his learning extended to many

other things...most recently the impact of diet on health. He loved a good discussion, on just about any topic.

Please join us in a celebration of his life. Visitation is scheduled for 5pm – 8pm on

Monday, November 12. The service is scheduled at 11am on Tuesday, November 13.

Both will be held at Adkins Funeral Home, 7055 Dayton Road, Enon, Ohio.

In lieu of flowers Ron's family would like donations go to the Champaign County Air Museum 1652 N Main St. Urbana, Ohio

“ I will always cherish the tales Lew told about Ron! Ron and Lew shared so many views and were inseparable once they got talking. I treasure the memories of Ron coming over one afternoon to help Lew with a greenhouse-shed he was building for me. It wasn't "squared up" and Ron pulled his pick up truck into the yard and wrapped something around the shed and PULLED to try and straighten it up! With that accomplished, they sat on the back porch and talked and talked. My grandmother's antique treadle sewing machine is even more precious to me with its beautiful oak table top that Ron hand made. Ron was a very special man.

“ Thinking of you Cynthia and the family at this time. Ron was a good friend to many - who could not be friends with the kindest Mr. Fix-it - he could/did fix many things for many people - and he was always eager to help with anything. I loved his tool rule - think of how many tools you have or want and then square that number! His love and help for all was about like that as well - it was like help (or love) squared for those of us fortunate enough to get to share his life.

May God provide you comfort at this time and know that he was a positive note in many lives - thank you for sharing him Lord and now he is resting in peace in Heaven .
