“ Ruth was my best friend since 1980 ,(we went to school together though, since first grade)We have shared a lot of happy and sad times. When Elmer died her and Larry were by my side all the time. . We laughed and cried together for 20 years. I miss Larry ever day and now I will miss my friend Ruth for what time I have left . I love Sammy and David as my own. I pray for these two and their families
