“*Ted was a giant of a man in every sense of the word. He played a huge role in my young life and I will always be grateful for the love and example he set for all of us. Kindhearted, hardworking, generous and a proud father of his boys and a neighbor he called Sally that loved him dearly.*”

“*Truly the world is a lesser place in Mr. Stute's absence. He was my neighbor, teacher, employer, mentor for much of my adolescence. And for my children they knew him as the largest Santa Claus they have ever seen. They say your vision weakens over time but my vision as I get older is clear of Mr. and Mrs. Stute. They helped raise with their actions and deeds, many children that are now passing on their teachings to their children. What an accomplishment. Thank you so much for all that you have done for me and my family. For Mrs. Stute, Mike, Nick, John, Danny, and their families my thoughts, prayers, and appreciation for what their father did for me go out to you. What a great man. Godspeed.*”
