“ *I remember when we was out crusing in my Torino, Tom asked to drive it for a while. We swapped seats and he drove it for what it was worth, I made the mistake of telling him that I had driven in and out of a ditch once. The next thing I knew we was in the ditch doing 60. Just as fast as we went in we had jumped out of it ripping loose a header muffler, at 2 a.m. that wasn't to quiet. Then it was a game to get back to town and not get pulled over and myself accross town afterwards. We both laughed and boasted about it ever since then. Tom you will be missed, I'll always have that memory, we'll drive that Torino when we meet up again.*
