“ I'm late to this site, but so glad to see the memorial video and other tributes and memories of Tom's life. Tom was my neighbor (on the farm just 1/2 mile down the road) and classmate at St. John's and Paullina high school. We lost contact after high school, but he and his family made such an impression on me. Tom and I enjoyed hunting together -- we got up one night around 2 a.m. to see if rabbit hunting was easier by moonlight than daylight (it wasn't) -- watching late night movies on overnights (Midnight Thrill Theater), and generally exchanging notes and stories about people and places we encountered growing up. Will never forget the time and effort Tom and Steve put in to fixing up a car Steve had bought -- from putting in new rods and pistons in the engine to a stereo speaker system inside. We got a kick out of listening to the drums solo "walk" from one side of the car to the other in inagodadavida by iron butterfly. Exchanging notes on tractors, cows, cats, pigs. My, I'm disappointed I won't get to sit down with Tom over a beer and catch up. But from what I see on this site, Tom had a good life and much to be proud of. I've talked with some of our classmates from St. John, and we all respect and will miss him. He is an indelible part of my childhood and I'm happy to see he's made as positive impression on those close to him in life after high school as he made on me in life before high school graduation. God bless you Tom.

“ *Condolences to the family. Soon the sadness will pass and you will have wonderful memories to share forever. I met Tom when he become the TOMA for the CRH Helicopter project that I was working on. He was very kind, sincere, patient, and always had a great story to tell. He will be missed by all. I'm sure if he could he would be driving his red truck to heaven.*

*We are Tom's neighbors and we miss him so much. He was always kind and willing to help us at any moment! I pray for his sons as they have encountered GREAT LOSS. I pray that Tom's memoirs will carry and enlighten his sons to be all they can be just as their father was. Tom has now crossed over and has ran his race in this life until we meet again. Everyday I look at his house and pray for his sons so his memory carries them on.*

“ *Tom was very kind at the first opportunity I had to meet folks in-person on my program, as a new hire. I enjoyed his chipper attitude and story telling. He was also an ace at his position and a mentor. Tom is probably in a special place in heaven for unforgettable characters who made a great many contributions in their life. All the best to his family.*

“ *Condolences to the family, Tom was a good friend, mentor, and wingman to all he came in contact with. His love for his family, cars, airplanes and the USAF was always evident. On memory of Tom was that he was as tough as nails... like the one he shot through his thumb, then pulled it out with pliers wrapped it in ducktape and kept working on one of his many weekend projects. Tom will be greatly missed! Darren, Joshua, and Justin Veneman.*
