*My dear brother it's hard to beleive that you're gone. I still think of you often. I wish that we would have spent more time together. I will NEVER FORGET you protecting me when my hands got put into scolding hot water. I will NEVER forget how much that you loved me. You loved me so much that you got me out of that situation and getting hurt instead. Hmmm tell me what Heaven is really like. And no I wouldn't be afraid of you if you were to come and visit me in my bedroom. What does mother and daddy and sherry look like now? For that matter what do you look like now? Well I have to go now. Sent to you with nothing but loving thoughts.*
