“ What a wonderful memory I have of Wayne who we (my husband Rev. Larry Rose and I (Paula) met in early 1971, where Larry was holding a revival meeting and the night Mary got saved. Soon the family attended our church and we have always stayed in touch. Wayne was always willing to bring Mary to church; he would sit in the back and Mary in the front most of the time, and they came to many revival meetings and Wayne was so quiet but would do anything to help out in our church. We are honored to know, love and have made many memories together at church events. Wayne was always quiet, soft spoken, and very loving to his family and us. I will never forget Wayne, Mary and all their precious children. Prayers going up for you all.

“ I know you wouldn't care about any of this, about the flowers, the comments, all the attention. But I just wanted to say you're the best man in earth, the closest to my heart. Thank you for loving me with your entire being, thank you for giving your all to everyone, even when they least deserved it. It was just who you were. I'm going to miss you more and more as the days go by, some days it'll be too hard to bare. Rest now, papaw. The man of my life ! I love you deeply.

- Your favorite.

“ Knowing you and your family was an honor .. Mary and I were the best of friends for the 12 years I lived there ..then there was you. You were a great friend indeed the best dad ever to your children and grandkids Lord knows they loved you more than life it's self.

You are no longer in pain and your dancing on the streets of gold Mary always talked about. I know she welcomed you with open arms .. you will see your kids again one day. Now you can enjoy setting at Jesus feet with Mary

*Dad,
God must love us because he made you our daddy. There are no words to tell you how much I have loved you and admired you my whole life. Even when I let you down. You saved me so many times with my cars breaking down. You were there at all my softball and basketball games . You bought me my first glove and bat that I cherished for life. I love you with all my heart, and I will miss you terribly. But I KNOW you are with mama now so have fun fishing in Heaven 🙏🙏🙏🙏❤️💙*
