“ *There were a lot of times where we would just sit there all day and you always had the best stories. They were long but so great. You welcomed my daughter and I into your home and your lives and I know we'll always be grateful for that. You and Gran could grow a heck of a garden and loved going to Copeys to get them chops! Undoubtedly you'll be an Angel over your entire family. My deepest Sympathy to the entire family and rest easy Pap. Xoxo*
