“ Nene & Family,
Our deepest heartfelt sympathy go out to all of you in your loss of your beloved Bud. He was one of the kindest men I ever met. Dave & I cherish the many times that we have gotten to share with you & your family together through the years. We have our group shared picture of the past famed "hog" brothers & sisters from our wilder days hanging on our wall & it brings a smile each time we pass & look at it as it holds so many shared fond fun past memories. Bud was the first one who introduced me to having sausage gravy on my breakfast fried potatoes during our travels & I have enjoyed them that way ever since:) He will be so deeply missed by everyone who had the privilege to ever know & love him. Our prayers, love & hugs are with you throughout this transition without him. May the many loving memories that forever remain help sustain you.
